

HARINI N S

FULLSTACK DEVELOPER

ABOUT

Hands-on experience in full-stack development, MERN stack, and IoT, with active participation in hackathons. Skilled in rapid prototyping, UI/UX design, and collaborative problem-solving. Exploring blockchain technologies and security concepts including ethical hacking. Submitted an iOS app to the Swift Student Challenge.

EXPERTISE

Languages - Python, SQL, Swift, C++,
Frontend

Backend - Postgresql, Supabase,
Prisma, JWT Authentication

Tools & Practices - Git/Git hub, UI/UX

Video Editing - Inshot, Davinci

Other Technical Skills - AIML, RL,
Typescript, IoT, Figma, PowerBI, VS Code

LANGUAGE

English ————— Fluent

Tamil ————— Fluent

Malayalam ————— Intermediate

WORK EXPERIENCE

AEROSPACE RESEARCH INTERN 2026 - Present
iTelematics Software Private Limited, Bengaluru

- Researched solid/hybrid rocket propulsion systems and motor thrust characteristics
- Analyzed propellant grain geometry and combustion/thrust-time profiles
- Compared commercial motor classes against mission thrust/altitude requirements

IT INTERN May - June
EICL, Thiruvananthapuram

- Studied system boot processes and hardware initialization sequences
- Explored computer networking fundamentals (protocols, configurations)
- Worked with camera/surveillance systems and their integration
- Gained hands-on IT infrastructure and troubleshooting exposure

AIML INTERN June -Present
Infosys Springboard 7.0, Bengaluru

- Built SwipeX, an AI-driven swipe-based job discovery platform (Infosys Springboard 7.0)
- Implemented authentication (JWT) using FastAPI, SQLAlchemy, PostgreSQL
- Developed frontend with React and Tailwind CSS
- Designed database schema and resolved environment setup issues

PROJECTS

Inspace Rocketry Student Competition April - Present

- Qualified for CDR after clearing PDR in the national-level IN-SPACe Rocketry Competition
- Part of Propulsion sub-team; evaluated motor selection (thrust, total impulse)
- Collaborated across sub-teams for full rocket system integration as a **"Team Lead"**
- Contributed to trade-off analysis and CDR technical documentation

HARINI N S

EDUCATION

SRM Institute of Science and Technology, Tiruchirappalli BTech Computer Science and Engineering, CGPA : 9.45	2024 - 2028
Vidya Vikasini Matriculation Hr Secondary School, Coimbatore 12 th - 77.7	2022 - 2024

PROFESSIONAL DEVELOPMENT

iMAC Club - Chairperson - FET SRMIST, Trichy	2026
Membership Chair at ACM Student Chapter SRMIST, Trichy	2026
Volunteered Prompt Wars Hack2Skill, Thiruvananthapuram, Kerala	2026
Attended 5 Day National Workshop IIT Palakad, SRMIST	2024

ACHIEVEMENTS & CERTIFICATIONS

HAC'KP Hackathon shortlisted for regional pitch Kerala Police Cyberdome, Thiruvananthapuram, Kerala	2026
Snowflake Certification SRMIST, Trichy	2026
Meta AI Hackathon Round 1 Finalist Scaler Technology, Bengaluru	2026
TOP 6 th in MEDAITHON Hackathon SRMIST, Trichy	2025
